Help us out!
 Without the dedication and hard work of club members and donors, there would be no trails to ride. Please consider a donation or joining our club. Visit our website or social media to find out how you can help.

Special Thanks - Trail Dedications
 The "Crane Memorial Trail" honors Gary Crane Sr. a fellow rider who passed in 2002 while giving his time to some of the first trails.
 "Founders Trail" off the West Kingfield Road is dedicated to Tellis Fenwick Jr. and Todd Brown for their hard work starting this club 16 years ago.
 "Bentley Woodcock Trail" and "David Treholm Trail" recognizes Bentley and David for their leadership and accomplishments during the many years serving the club as officers.

Mission Statement
 The Kingfield Quad-Runners are a group of sportsmen and women promoting the safe and ethical operation of ATVs. The trails we ride on are on private land which we have gained landowner permission to use. The Quad Runners respect and maintain the trails on which we ride as well as advocate for public awareness.
